and dear to his heart. He has over 35 year's experience. He introduced Associate Erin Monforti, who is honored to work with us and Ancel Glink.

B. 2023 Annual Comprehensive Financial Report Presentation

Executive Director Rini introduced Matt Beran, who is a Partner with Lauterbach & Amen. He reviewed the results of the audit in detail. He praised Carol Stream Park District's processes. The audit went smoothly and we were given high marks in all areas. We surpassed our Fund Balance goals and are in great financial health. Commissioner Powers asked for clarification on deferred inflows and outflows. Mr. Beran explained the deferred inflows come from property taxes; they are collected at a later date, or deferred. The deferred outflows come from market changes. Commissioner Gramann thanked Matt and staff for making our Park District shine.

C. Park Tour Results

Director Hamilton outlined the park tour exercise and the results were reviewed. The commonalities showed deficiencies in mulch, weeds, and turf. April 15 is when the District typically applies weed control. With the early spring this year, we will move that back to April 1 next year. The mulch is typically installed May 15 and we are pleased to report that all parks have been touched and have sufficient mulch now. The turf is a battle every year, as programming and usage grows, that stresses the fields. We rotate fields, move locations, aerate, and over-seed annually. The turf is improving. He thanked the Commissioners for taking the time to conduct the inspections; it has sparked conversations and changes are already happening. Commissioner Bird noted the parks have improved since the last time we did this exercise. Commissioner Gramann asked if playground equipment can be painted when it begins to fade. Director Hamilton said yes. Commissioner Witteck noted the Bark Park fixtures look amazing. Director Hamilton said they were painted in the winter.

D. Strategic Planning – Selection of Firm

Executive Director Rini, along with the selection committee, evaluated four firms and interviewed two, making a recommendation to hire Northern Illinois University – Center for Governmental Studies. Executive Director Rini outlined the Strategic Plan timeline and details related to rolling out the process. Mel Henricksen will be the team lead and a kick off meeting will be scheduled soon, along with the preliminary timeline. We expect the process to take six months to set goals, plan, and finalize the report.

E. Weekly Happenings

- Matthew Barden from the Carol Stream Parks Foundation talked about the upcoming Duck Race, our biggest fundraiser. The race is scheduled at Coral Cove Water Park on Saturday, June 22, at 4pm. The Foundation is planning to install's its third bike fix-it station at Memorial Park; it will be commemorated to former Foundation Member Dave Creighton, who passed away last year. The Foundation also recently donated a bench at Community Park.
- Commissioner Gramann attended the Grand Opening of the Armstrong Pickleball Courts last week, along with Commissioners Jeffery, Powers, Bird,

	<p>and Sokolowski. Senator Seth Lewis also attended. Commissioner Bird added it was the biggest grand opening we have ever had with about 200 people in attendance.</p> <ul style="list-style-type: none"> <li>• Commissioner Witteck commented on how nice McCaslin Park looks. He will explain aspects of the project that enhanced the sled hill and redesigned the creek, as well as grant requirements, which will include some wetland conversion to the south of the sled hill.

He will also explain the completed work along Section III (Armstrong Park) and offer interested Commissioners a tour of Section III at Armstrong Park.

**Discussion:** Playground Plans

**Agenda Item #: 6C**

---

Playground replacements ranked as the Board's top capital improvement plan priority. With the recent completion of Walter Park and Community Park to soon follow, staff is planning for the next playground replacement. Several factors could contribute to that decision:

- OSLAD Funding confirmed for the coming year, but may be swept the following year.
- School District 200's potential partnership for the replacement of our old playground at Pleasant Hill Park.
- Cash-in-Lieu donation of \$5,243 from new homes in Winfield, which fall within the Park District boundaries, are available for use at Pleasant Hill Park.

Two playgrounds are 'next in line'. Appomattox and Friendship will each be smaller projects and therefore not good 'Grant' candidates.

- **Appomattox Park** is on the schedule as the next project. The estimated budget is just under \$200,000; \$175,000 for construction and \$18,500 from the 2022 contract with Wight & Co.
- **Friendship** – A portion of the playground is newer and in good condition. However, the structure to the north of the gazebo needs repair in the coming years. It will be a straight replacement without new design/layout. The gazebo's life could be extended with a new roof and repainting.

Park Districts are fortunate that the OSLAD Grant Program was not swept for the coming year. We've been told that the risk will be back again next season. In other words, if you have an OSLAD project, apply in 2024 so you can have the funds for a 2025 build.

School District 200 may be interested in partnering for replacement of the playground reducing our costs. The playground was originally installed in 2007, and the parking lot and tennis courts were originally constructed in 1995.

If the School District partners on the playground at an estimated \$250,000, and the Park District contributes the same \$200,000 it had set aside for the Appomattox playground, and an OSLAD Grant is received for a matching \$450,000, a \$900,000 project could result in a new playground, new/expanded parking lot, and new courts (pickleball?) for the same budget. *This is just an example of funding; staff will seek a cost estimate for actual dollar amounts.*

If District 200 agrees to partner on this project, the District proposes delaying Appomattox another year and renovating Pleasant Hill Park. If they do not agree to a partnership, we will move forward with Appomattox Park in 2025.

We seek the Board's thoughts on this plan and continuing to work with Wight & Co. for landscape and design services for Pleasant Hill.

Photos of the parks involved follow:

**Discussion:** Strategic Planning Update

**Agenda Item #: 6D**

---

Commissioners,

The Strategic Planning Process will begin with a Virtual Kick-Off Meeting on August 1, from 10-11:30 am. During this meeting NIU staff will walk through the process, review final components, discuss the timeline, and next steps.

Participating in that Kick-Off Meeting will be Commissioners Gramann and Witteck, Department Directors, and myself. Each Board member will be scheduled for a 30-minute interview (virtual or by phone) in one of the next steps. If you are interested in sitting in on the Kick-Off Meeting, please let us know and we can share the zoom link.

During the Kick-Off Meeting we will:

- Confirm expected outcomes.
- Review the Mission, Vision, Values of the District, and discuss whether they should be updated.
- Review prior strategic plans and goals as well as results from the 2023 Community Needs Assessment and how to best share the progress at the workshops.
- Set project schedules and finalize the exercises and options included in the strategic planning process.

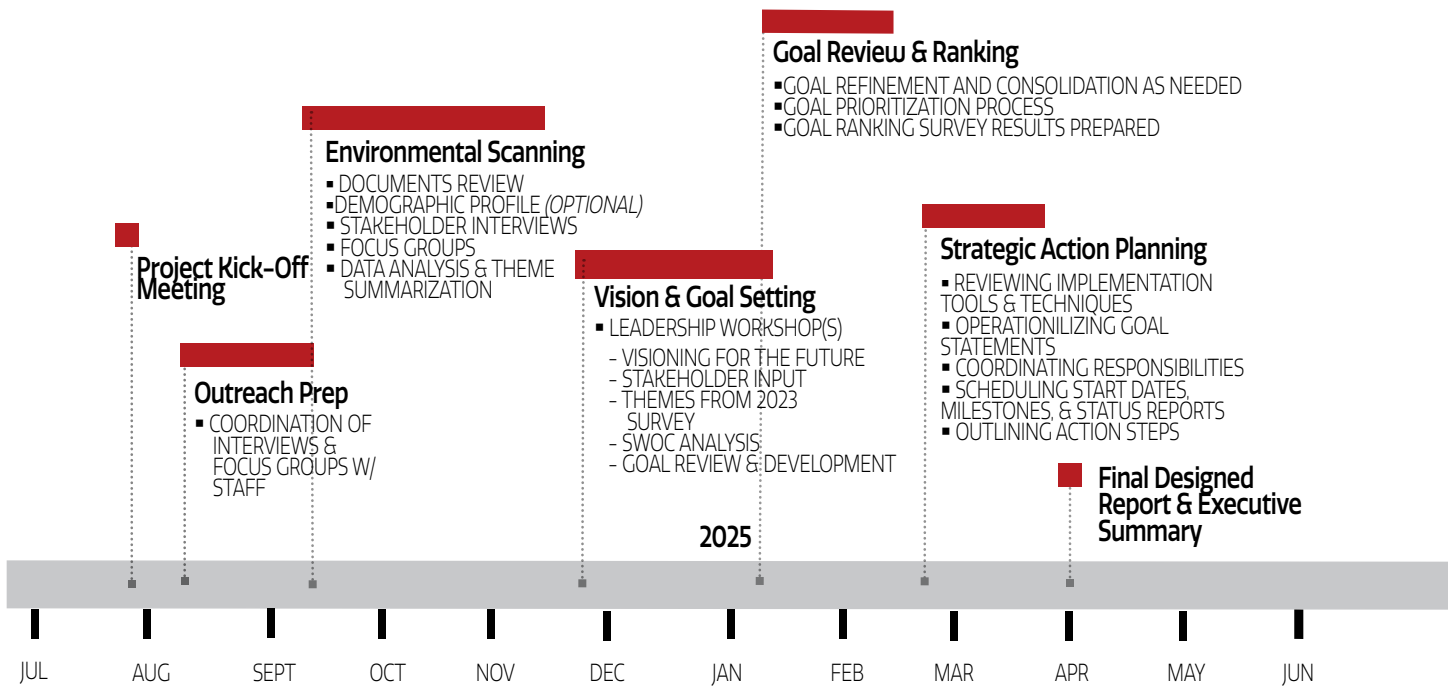

# CAROL STREAM PARK DISTRICT PROJECT TIMELINE

The Project Timeline below illustrates how the Strategic Planning process will be coordinated throughout the duration of the project timeframe. In addition, certain outcomes will inform subsequent phases of the planning process.

**To:** Board of Commissioners  
**From:** Renee Bachewicz, Director of Recreation  
**Date:** July 8, 2024  
**Approval:** Affiliate Agreement with Carol Stream Panther Soccer Club  
**Agenda Item # 7A**

---

### Issue

Should the Board approve the 2024-2025 affiliate agreement with the Carol Stream Panther Soccer Club.

### Background/Reasoning

- This new agreement would cover the 2024-2025 season for CSPSC.
- CSPSC is in compliance with the terms of the agreement and is considered to be in good standing with the District.
- At the June 22, 2015 Park Board of Commissioners meeting, the board approved the revised affiliate agreements for all four of the district's youth sports affiliate groups. These agreements would then be approved on an annual basis.

### Supporting Documents

- Carol Stream Panther Soccer Club (CSPSC) Agreement.
  - All updates to this current agreement are highlighted in yellow for easier reference.

### Cost

The affiliate fees paid to the District are budgeted in GL # 20-4-60-00-480-641.

### Public/Customer Impact

The affiliate group provides an opportunity for youth that wish to participate in a more competitive travel soccer program than the District currently offers as part of our in-house league.

### Recommendation (Voice Vote)

That the Board approve the 2024-2025 affiliate agreement with the Carol Stream Panther Soccer Club.

## **Carol Stream Panther Soccer Club Affiliate Agreement**

**Memorandum of Understanding  
July 2024 – June 2025**

### **PURPOSE**

The Carol Stream Park District (hereafter “**Park District**”) recognizes that certain organizations exist within the community whose purposes are to serve and enhance recreational opportunities for a specific purpose and group. These organizations are separate and independent from the Park District with autonomous leadership, organizational and operational structure. Although the stated missions of the organizations may differ, public investment in public recreational facilities and programs creates a mutually beneficial environment in which to provide quality recreation for all the individuals served by the parties, as well as the general public.

The Park District recognizes that at times it is in the best interest of the community that the Park District work with outside organizations in coordinating, integrating and consolidating the planning and provision of recreational facilities and programs when basic functions are compatible and a public benefit may be derived. Through working relationships with outside organizations and joint efforts, each party can contribute to greater public service without relinquishing their separate identities or any of their individual responsibilities.

To this end, the Park District is willing to establish a working relationship and cooperative agreement with the Carol Stream Panther Soccer Club (hereafter “**CSPSC**”). With this agreement, the parties will define the working relationship, mutual expectations, and individual responsibilities. However, this agreement cannot be considered absolute; but shall serve as a frame of reference. Standards outlined herein insure that the parties’ concept of joint planning, use, and maintenance is followed to the maximum extent possible, while retaining the essential freedom of discretion, decision and action in planning, developing and maintaining recreational programs. In addition to the criteria included in the Park District’s Policy Guidelines on Youth Recreational Organizations, CSPSC agrees to follow the following guidelines:

#### **I. Criteria and Conditions**

1. The CSPSC shall provide its own leadership, structure, and must delegate operational duties to its membership.
2. The CSPSC shall conduct its own financial business and be financially self-supporting. CSPSC shall not be underwritten by Park District public funds.

3. The CSPSC shall have its own volunteer governing board all whom must live within the Park District boundaries with adopted written bylaws or guidelines to guide the board in policy-making decisions, and:
  - a. Is a not-for-profit corporation or organization dedicated to offering and promoting recreational activities that supplement existing Park District programs and fit within the stated mission of the Park District.
  - b. At least 51% of each team or division of the CSPSC must be residents within the Park District boundaries. Participants that reside outside of the CSPD boundaries but are within the boundaries of Community Consolidated School District 93 (**CCSD93**) and Benjamin School District 25 (**BSD25**) will be counted as residents.
  - c. Provide an annual detailed budget to the Park District to show all anticipated revenue and expenditures, and
  - d. Provide copies of the IRS and State tax forms that must be filed annually to maintain the organization's 501(C) 3 status or other financial documents (bank statements, etc.) as requested by the Park District. Financial documents should be submitted within three months of the conclusion of CSPSC's fiscal year that include current financial standings, including operation revenues, expenditures, and financial reserves.
  - e. Must provide the Park District with a copy of the organization's by laws annually.
4. The CSPSC must submit a written request to the Park District seeking approval to enter large sponsorship agreements with potential third-party partners. The Park District must approve all potential large sponsor partners prior to the execution of a sponsorship agreement. Large sponsorships include anything at or above \$1,000. The Park District has the right in its sole discretion to deny any sponsorship agreement that may not be in the best interest of the Park District. All fundraising activities must also be done in full compliance of the laws governing such activities.
  - a. Provide a list of all sponsors and total sponsorship amount seasonally to the Park District.
5. The CSPSC must have a Code of Conduct in place that is provided to and followed by administrators (board members), players, coaches, and parents at all times. A copy shall be provided to the Park District annually.
6. The CSPSC shall provide a list of officers and participants, including addresses and telephone numbers following CSPSC's annual elections and when changes occur.
7. Copies of the organizations meeting minutes must be submitted to the Park District no later than fifteen days following any meeting.

8. The CSPSC shall designate both a liaison and alternate liaison and provide the individuals' telephone numbers and other contact information to the Park District to be the official liaisons for all official communication with the Park District including but not limited to field and facility assignments. One of the liaisons must be the league President.
9. The CSPSC agrees and understands that neither the CSPSC nor its officials, officers, members, employees or volunteers (collectively "CSPSC") are entitled to any benefits or protections afforded employees or volunteers of the Park District and are not bound by any obligations as employees of the Park District. The CSPSC will not be covered under provisions of the unemployment compensation insurance of the Park District or the workers' compensation insurance of the Park District and that any injury or property damage arising out of any CSPSC activity will be the CSPSC's sole responsibility and not the Park District's.
